Mayor's Message

Shortly after I became mayor, Bellemeade experienced a series of home break-ins, and a concern was raised at the city commission meeting. A resident on Bellemeade Road suggested we look into establishing a block watch. In response, we investigated the Neighborhood Watch program of the Metro Police.

Neighborhood Watch is a simple concept of neighborhood awareness and a willingness to report strangers acting suspiciously. It is neighbors watching out for neighbors. At no time should anyone personally confront a burglar: call 911 to report and let the police handle it. Bellemeade also posts suspicious activity and safety information on its various social media pages.

We have reorganized the Neighborhood Watch several times. This is necessary as some people move away and others move in. We have a need for block captains on all our streets. It is a constant effort to recruit block captains and keep everyone aware. My sincere thanks to Commissioner John Miller and all the block captains for volunteering their services to Bellemeade and keeping our city safer. If you would like to volunteer to help on your block, we will have a community meeting on May 8 at 7:00 p.m. The meeting will be at Hurstbourne Christian Church, 601 Nottingham Parkway.

Mayor Larry Odom-Groh

BELLEMEADE CITY-WIDE YARD SALE
