The administrator shall not award credit to a city official for attendance or participation in a qualifying course that is not, in the administrator's opinion, substantially different from another course the city official attended or participated in during the same calendar year.

4. The administrator shall maintain records that reflect each of the courses and hours completed by the city official and shall provide it to each city official upon request. The administrator shall, within thirty (30) days of the close of the calendar year, provide written or electronic certification to each participating city official of completed courses and hours, and shall, if applicable, certify the completion of a training unit and total number of accumulated training units. Upon receipt, a city official shall present a copy of the certification of the completion of the training unit and the total accumulated training units to the city in order to receive his or her training incentive payments.

§40.06: Status of Incentive Payments

Training incentive payments do not constitute wages under KRS Chapter 337, creditable compensation under the County Employees Retirement System under KRS Chapter 78, or compensation for the purposes of setting maximum compensation or modification of compensation under KRS Chapter 83A, and may be repealed or modified by the city at any time.

3. Statutes require that meetings and the records thereof be open to the public, but no statute currently guarantees any person who is not a member of the body or an employee thereof the right to speak at such meetings.
